

# In our book, dead plants are not a good thing.

There is nothing good about plants dying in your landscape and we think its even worse to have to dig up and put it back in the car. In fact, we're so confident in the quality of our perennials, trees and shrubs and the helpfulness of our staff that we proudly extend to you our One Year plant guarantee.

## IT WORKS LIKE THIS:

- Purchase any 1 gallon size or larger perennial, tree or shrub from Riverside Nursery.
- Plant it according to our written planting instructions
- Use our recommended soil amendment and fertilizers
- Provide regular and appropriate amounts of water (let us know if you need help determining the appropriate amount)
- Call immediately if you see problems or have

## WHAT WE'LL DO TO HELP YOU SUCCEED:

- Offer quality plants suited for our climate
- Give them great care during their stay at the nursery
- Provide helpful advice including our written planting instructions and product recommendations
- Take the time to help identify and solve problems if you call

If we still can't help identify the problem or solution we will gladly give you store credit for purchases showing soil amendment and fertilizer on your receipt.
